4.3 References and Literature Cited

Note: The Superior Forest Plan is cited simply as “FP” instead of using standard convention (USDA Forest Service 2004...) because it is so commonly referenced throughout the document. Similarly, the Record of Decision and Final Environmental Impact Statement for the Forest Plan Revision is cited as “Forest Plan ROD” and “Forest Plan FEIS” respectively. Documents that support the Forest Plan FEIS, such as the biological evaluation, are cited conventionally. The Forest Plan and Forest Plan FEIS and ROD are on the Superior National Forest website: www.fs.fed.us/r9/forests/superior.
